📍 SAMPLE WORLD-CLASS WINE IN
CALISTOGA, CALIFORNIA

WHY

Tucked away at the top of Napa Valley, Calistoga has maintained its laid-back, rustic charm even after the local Chateau Montelena put California wine on the global map by winning the Judgment of Paris competition in 1976.

WHEN TO GO

Crush season, between August and October, has ideal weather and provides an opportunity to observe the harvest.

WHERE TO STAY

Nestled amid vineyards with an on-site winery, the new Four Seasons Resort and Residences Napa Valley is a five-star stay with just 85 rooms and suites. The spa even uses treasures from the vineyards in its specialized treatments. *From \$1,200; FourSeasons.com*

SOUVENIR

After a connoisseur tour and tasting at Clos Pegase winery, take home a bottle of the acclaimed estate's 2018 Cabernet Sauvignon. *ClosPegase.com*

**ESSENTIAL EXPERIENCE**

Guests can walk from their room to Etusa Winery for a guided tour as winemakers prune, ferment, barrel or bottle. Then you can taste some sought-after vintages. *\$400 for two people, EtusaWinery.com*

SPLURGE

The signature Mudslide couple's treatment at the Spa at Solage is a modern twist on the region's traditional mud bath. Slather mineral-enriched mud on each other, soak in geothermal mineral water, then relax in state-of-the-art sound chairs. *\$240 for 60 minutes; AubergeResorts.com/solage*
